ENERGY EFFICIENCY AND RENEWABLE ENERGY DIVISION'S

NATIONAL ALTERNATIVE FUELS HOTLINE

ETHANOL RESOURCE GUIDE

This report was prepared as an account of work sponsored by an agency of the United States Government. Neither the United States Government nor any agency thereof, nor any of their employees, makes any warranty, expressed or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information, apparatus, product, or process disclosed, or represents that its use would not infringe privately owned rights. Reference herein to any specific commercial product, process, or service by trade name, trademark, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, recommendation, or favoring by the United States Government or any agency thereof. The views and opinions of authors expressed herein do not necessarily state or reflect those of the United States Government or any agency thereof.

PREPARED FOR THE U.S. DEPARTMENT OF ENERGY BY
INFORMATION RESOURCES INCORPORATED, UNDER CONTRACT TO
THE NATIONAL RENEWABLE ENERGY LABORATORY

LAST UPDATED: MARCH 31, 1997

FOR ADDITIONAL INFORMATION CONTACT THE HOTLINE

800-423-1DOE • 703-528-3500

FAX: 703-528-1953

E-MAIL: hotline@afdc.nrel.gov

The following is a listing of industry contacts who have provided the National Alternative Fuels Hotline with permission to be included in this resource guide.

ASSOCIATIONS

American Coalition for Ethanol (ACE)

47648 Surrell Street, P.O. Box 85102
Sioux Falls, SD 57104

Contact: Trevor Guthmiller, Executive Director
Phone: 605-334-3381
Fax: 605-334-3389
E-mail: acetanol@aol.com

ACE is a non-profit membership association open to any individual or organization supporting increased production and usage of ethanol. ACE unites a wide variety of organizations, financial institutions and industry suppliers. ACE works in state legislatures and Congress to ensure fair representation for the ethanol industry. ACE also hosts an annual ethanol conference, sets up E-85 refueling locations and does ethanol promotion and research to encourage the development of the ethanol industry.

American Corn Growers Association (ACGA)

P.O. Box 18157
Washington, DC 20036

Contact: Gary Goldberg, President
Phone: 202-835-0330
Fax: 202-429-3741
Contact: Dave Senter, DC Representative
Phone: 202-452-9422
Fax: 202-429-3741
E-mail: acga@acga.org
Website: www.acga.org

ACGA is a commodity association, representing the interests of corn producers in 28 states. The association supports and promotes reformulated gasoline (RFG).

American Farm Bureau Federation

600 Maryland Avenue, SW, Suite 800
Washington, DC 20024

Contact: Richard Newpher, Executive Director
Phone: 202-484-3600

Fax: 202-484-3604

American Society of Advanced Fuels Technology (ASAFT)

P.O. Box 9600, Alpine, TX 79831

Contact: Robert Mahle, President
Phone: 915-837-1134
Fax: 915-837-7101

ASAFT is a non-profit organization dedicated to education, technician training and research in clean burning alternative fuels and vehicular technologies as methods for reducing dependence on foreign crude oil sources and air pollution caused by emissions from transportation sources (autos, trucks, buses and other heavy-duty vehicles). ASAFT was formed to better represent an unbiased, fuel-neutral position for government, industry and academia.

Biofuels America

26 Lorin Dee Drive
Westerlo, NY 12193-9801

Contact: Jeff Beller, Director
Phone: 518-797-3377
Contact: Julia Delain, President
Phone: 518-797-3377
Fax: 518-797-3385

Biomass Energy Alliance (BEA)

1001 G Street NW, Suite 900 East
Washington, DC 20001-4545

Contact: Reid Detchon, Executive Director
Phone: 202-639-0384
Fax: 202-393-5510
E-mail: info@biomass.org

BEA was created to inform policy-makers and the public about the economic and environmental benefits of biomass energy use and to accelerate the development of a new American industry. The Alliance is a non-profit organization created for the purpose of public education on biomass energy.

California Renewable Fuels Council

3304 Yorba Linda Boulevard, Suite 249
Fullerton, CA 92631

Contact: Cindy Hasenjager
Director, Regulatory Affairs
Phone: 714-996-6540
Fax: 714-990-0418
E-mail: crfcetoh@aol.com

Clean Fuels Development Coalition

1925 N. Lynn Street, Suite 725

Arlington, VA 22209

Contact: Doug Durante, Executive Director

Phone: 703-276-CFDC

Fax: 703-276-8447

Colorado Corn Administrative Committee (CCAC)

5500 S. Quebec Street, Suite 114

Englewood, CO 80111

Contact: Harold Smedley, Executive Director

Phone: 303-740-4328

Fax: 303-694-5814

CCAC, a corn-grower organization representing E-85 in Colorado's Clean Cities programs, facilitates the location of refueling sites and the fleet placement of E-85 vehicles in the state. CCAC serves as the clearinghouse for information relating to E-85 fuel and vehicles.

Corn Marketing Program of Michigan (CMPM)

6206 West Saginaw Highway

Lansing, MI 48917-2467

Contact: Keith Muxlow, Executive Director

Phone: 517-323-6600

Fax: 517-313-6601

CMPM has promoted ethanol as a 10% blend since 1993.

Ethanol Producers and Consumers (EPAC)

South Route, Box 206, Nashua, MT 59248

Contact: Shirley Ball, Executive Director

Phone: 406-785-EPAC

Fax: 406-785-2252

EPAC is a non-profit organization, with an 11-person board of directors to guide activities. Membership includes individuals, businesses and organizations in 19 states. EPAC has six major goals, as they did when founded in 1991. These goals are: develop citizen awareness of ethanol and how it affects jobs, tax base, income and environment; educate on benefits of ethanol as a clean, renewable, efficient source of energy; demonstrate value of co-products; cooperate with government agencies and higher education on ethanol and co-product issues; expand markets by

encouraging usage of ethanol and co-products; and sponsor displays and seminars designed to educate.

Governors' Ethanol Coalition

Office of the Governor

P.O. Box 720

Jefferson City, MO 65102

Contact: Amy Jordan, Assistant

Phone: 573-751-4629

Fax: 573-751-1495

Institute for Local Self-Reliance (ILSR)

1313 5th Street SE, Suite 306

Minneapolis, MN 55414

Contact: John Bailey, Research Associate

Phone: 612-379-3815

Fax: 612-379-3920

E-mail: ilsr@igc.apc.org

Website: <http://www.ilsr.org>

ILSR is a 22-year-old non-profit organization that works with both the public and private sectors to maximize the efficient use of local resources. ILSR provides research and technical support geared toward strengthening local economies through environmentally sound economic development. The work of ILSR crosses many economic sectors, from scrap-based manufacturing to alternative uses for agricultural materials. ILSR's "Carbohydrate Economy" program focuses on the increased use of plant matter for industrial purposes, including: alternative fuels, construction materials, alternative fibers, biochemicals and electricity production.

National Association of Wheat Growers

415 Second Street, NE, Suite 300

Washington, DC 20002-4993

Contact: Richard Owen, Executive Director

Phone: 202-547-7800

Fax: 202-546-2638

National Biofuels Association

1130 Connecticut Avenue, NW Avenue

Suite 300, Washington, DC 20036

Contact: Megan Smith, Executive Director

Phone: 202-530-5718

Fax: 202-331-1598

National Corn Growers Association (NCGA)

1000 Executive Parkway, Suite 105

Saint Louis, MO 63141

Ethanol Resource Guide

Main: 314-275-9915
Fax: 314-275-7061
Contact: Susan Keith, Government Relations
Phone: 202-546-7611
Fax: 202-628-1933

The NCGA's mission is to enhance corn growers' profitability and usage. This grassroots organization, founded in 1957, provides a voice for more than 29,500 corn growers in 47 states and 25 affiliated state organizations. A grower-elected board of directors sets and guides policy that is executed by a staff of over 20 professionals specializing in marketing, research, government relations, communications and membership services with offices in Saint Louis, MO and Washington, DC

Illinois Corn Growers Association (ICGA)

2415 East Washington Street
Bloomington, IL 61704
Contact: Phillip Shane, Market Development
Phone: 309-557-325
Fax: 309-663-0570
E-mail: corn@usfgcw.sprint.com

Founded in 1972, ICGA aims to maximize the profitability of Illinois corn producers. The organization conducts governmental affairs activities at all levels, market development projects and educational and member service programs in Illinois. Examples of ICGA efforts include: distribution of educational materials; grocery store and service station promotions; educational exhibits at state and county fairs; and working with statewide media on ethanol and other issues.

Indiana Corn Growers Association

1565 North John Bart Road
Lebanon, IN 46052
Contact: John Pugh, Ethanol Project Manager
Phone: 765-482-6998
Fax: Same

Iowa Corn Promotion Board

306 West Tower, 1200 35th Street, Suite 36
West Des Moines, IA 50262
Contact: Lucy Norton, Marketing Development
Phone: 515-225-9242
Fax: 515-225-0781

Kansas Corn Growers Association
P.O. Box 446, Garnett, KS 66032
Contact: Jere White, Executive Director
Phone: 913-448-6922
Fax: 913-448-6932

Michigan Corn Growers Association
See corn marketing program of Michigan (page 3)

Minnesota Corn Growers Association

14198 Commerce Avenue, NE, Suite 600
Prior Lake, MN 55372
Contact: Bruce Stockholm, Executive Director
Phone: 612-447-CORN
Fax: 612-447-2072

Nebraska Corn Growers Association

1327 H Street, #308
Lincoln, NE 68508
Contact: Jack Moors, Executive Director
Phone: 402-438-6459
Fax: 402-476-8998

South Dakota Corn Growers Association

1406 West Russell
Sioux Falls, SD 57104
Contact: Lisa Lutterman, Executive Director
Phone: 605-334-0100
Fax: 605-334-0505

Wisconsin Corn Growers Association

2976 Triverton Pike
Madison, WI 53711
Contact: Bob Mustell, Executive Director
Phone: 608-274-7266
Fax: 608-274-2006

National Ethanol Vehicle Coalition

3792 West Truman Boulevard, Suite 120
Jefferson City, MO 65109
Contact: Phil Lampert, Project Coordinator
Phone: 573-635-8445
Fax: 573-635-5466

National Farmers Union

600 Maryland Avenue, SW, Suite 202W
Washington, DC 20024
Contact: Larry Mitchell, Government Relations
Phone: 202-554-1600
Fax: 202-554-1654

Nebraska Ethanol Board

301 Centennial Mall South, P.O. Box 94922
Lincoln, NE 68509

Contact: Faye Morgan, Business Manager
Phone: 402-471-2941
Fax: 402-471-2470
Website: <http://nebsspc.nrc.state.ne.us/>

The Nebraska Ethanol Development program is administered by the Nebraska Ethanol Board. The Board was founded in 1971 when the legislature established the Agricultural Products Industrial Utilization Committee. The mission of the program continues to include four broad areas: assistance to ethanol production companies; market development activities; research technology and support; and public policy development.

North Dakota Grain Growers Association (NDGGA)

NDGGA, 4023 State Street
Bismark, ND 58501

Contact: Lance Gaebe, Executive Director
Phone: 701-222-2216
Fax: 701-223-0018
E-Mail: ndgga@aol.com

NDGGA is an alliance of more than 1,900 grain farmers from across the state. North Dakota is the nation's leading producer of hard red spring wheat, durum wheat, sunflowers and barley. The NDGGA represents North Dakota farmers on state and national issues that affect their farming operations. The Association works to develop systems that allow its members to transform the products they grow into consumer products.

Northwest Ethanol Fuel Association

P.O. Box 7485
Boise, ID 83707

Contact: Mark Dunn, Assistant General Council
Phone: 208-336-2111
Fax: 208-389-7295

Oxygenated Fuels Association (OFA)

OFA, 1300 North 17th Street, Suite 1850
Arlington, VA 22209

Contact: Eric Bolton
Director of Communications
Phone: 703-841-7100

Fax: 703-841-7720

Founded in 1983, OFA is an international trade association established to advance the use of oxygenated fuel additives to improve the combustion performance of gasoline. OFA gathers, develops and analyzes accurate technical information on the blending, performance, handling, health benefits and environmental properties of oxygenates used in gasoline. OFA has an annual meeting, as well as regularly-scheduled membership meetings during the year. The association publishes a biennial membership newsletter, an annual report and various other reports as appropriate.

Renewable Fuels Association (RFA)

RFA, One Mass Avenue NW, Suite 820
Washington, DC 20001

Contact: Mary Wertschnig
Director of Communications
Phone: 202-289-3835
Fax: 202-289-7519
E-mail: etohrfa@erols.com
Website: www.ethanolrfa.org

RFA is the national trade association for the domestic ethanol industry. Members come from private industries, businesses and organizations involved in the production, blending and marketing of alternative and renewable fuels. RFA works to establish and expand economic and marketplace conditions favorable to the U.S. ethanol industry. The association provides technical information, participates in educational activities on ethanol-blended fuels and serves as a source for publications related to the production and use of renewable fuels.

Union of Concerned Scientists (UCS)

UCS, Two Brattle Square
Cambridge, MA 02238-9105

Contact: Denise Barrant, Analyst
Phone: 617-547-5552
Fax: 617-864-9405 (same for all)
E-mail: ucs@ucsusa.org e-mail
Website: www.ucsusa.org

Ethanol Production Issues

Contact: Paul Jefferiss, Energy Research
Phone: 617-547-5552

Ethanol Transportation Issues

Contact: Lee Roland Hwang, Analyst
Phone: 510-843-1872

The UCS is dedicated to advancing responsible public policies in areas where technology plays a critical role. Established in 1969, UCS has created an alliance between many of the nation's leading scientists and citizens. This partnership addresses the environmental threats. An independent non-profit organization, UCS conducts technical studies and public education programs and seeks to influence government policy at the local, state, federal and international levels.

Wisconsin Corn/Soybean Program

2976 Triverton Pike Road, Madison, WI
53711-5808

Contact: Robert Karls, Executive Director
Phone: 608-274-7266
Fax: 608-274-2006

Fax: 909-396-3252
Website: <http://www.aqmd.gov>

AQMD is the air pollution control agency for the greater Los Angeles metropolitan area. AQMD supports clean fuel demonstration projects through its Technology Advancement Office and Mobile Source Review Committee programs on a matching funds basis. Promoting clean fuels and electric vehicles is an integral part of the region's long-term clean air plan.
